## "Do we believe that Jesus can heal us and bring us back from the dead?"

– POPE FRANCIS

Healing, in a word, is resurrection. "He forgives all your inequities, He heals all your diseases, He redeems your life from the pit, He crowns you with steadfast love and mercy" (Ps 103:3-4).

In these pages, Kathleen Beckman offers a guide for healing based on Divine Mercy in Scripture and in the lives of the Saints. Beckman skillfully helps us to see how the "rays of divine mercy" heal families, marriages, the sick, poor, suffering, sinners, saints, the unborn, the elderly, children, the Church and the whole world.

Each chapter concludes with a "profile in mercy" – a reflection on a saint who was a vessel of mercy – including Blessed Mother Teresa, St. John Paul II, St. Maria Goretti, St. Maximilian Kolbe, St. Gianna Molla, St. Faustina, St. Peter and the Virgin Mary.
