

When Women Pray *Eleven Catholic Women on the Power of Prayer*

Here is a book that can inspire the new outpouring of the oil of prayer for healing and holiness. Inspired by the Parable of the Ten Virgins (Matt 25: 2-13), this work proclaims the wealth of grace entrusted to praying women.

In personal stories and Church teaching, eleven Catholic women magnify the Marian vocation of living as contemplatives in action. You'll journey with the authors through joys and sorrows to discover the surprising, transformative power of prayer.

For personal or group retreats, each chapter ends with spiritual reflections: "Ponder, Practice, Pray", and "Feminine Wisdom" of women saints. Eucharist, Scripture and Mary are prominently highlighted.
